

WELCOME BACK!

Greetings to all our music educators in the State. I hope the start of the school year is going well and I am looking forward to an amazing year ahead. My name is Anthony Lanzerotti and I am honored and humbled to have been selected as the 2023 NJSMA Region I President. It is the fine work of all the music educators that make a positive impact on our students in our region. I would like to thank Austin Vallies (choral division) and Diana May (past president) for their service to our organization. As you pursue new adventures, thank you for your leadership and guidance.

Welcome to any new teachers in our region and to those who have not been active as NJSMA members. If you are reading this or know someone who desires to join us, please have them reach out to our corresponding secretary (publicity@njsma.org), or fill out the contact form on our website. All relevant information about our region is on the website (njsma.org).

I am looking forward to another successful year and working together with all the fine music educators in northern New Jersey. Please reach out if you have any questions or ideas that we can bring to NJSMA. All the best, Anthony
